

# SONGS WE SING

## "Music Theatre" on record

Saturday, 9th November will be an exciting day for the seventy members of the "Music Theatre" cast, for on that day we are making the preliminary tapes for a twelve inch long-playing record.

A Melbourne recording company — Orbit — will record highlights from the show at the Methodist Church Hall, Morwell. It is hoped that we will be able to successfully tape about twenty songs which when put on record will make a disc that will be sought not only by friends and relations but also by the general public.

Many of the songs on the record will not have been previously recorded. This fact should add interest to the whole venture since we will be breaking new ground in more than one way. As was the case in the actual production, most of the singing will be unaccompanied but an accompaniment of guitar, banjo or organ will be used for some of the songs.

Among the numbers to be recorded is the School Hymn "Consilio et Animis". Written by Mr. John Collins who was on the staff in 1959 and 1960, the hymn is something of which we are justly proud.

We are all looking forward to the fun of having our own school production on record.

"Pylon" Report.

# INTER-HOUSE ATHLETICS SPORTS

## SUCCESS FOR FLINDERS

The Nineteenth Annual House Athletics Sports were held on Wednesday, 25th September, on Oval No. 2 at Yallourn.

Bad wather had previously caused the postponement of the sports for one week and the very sodden ground was probably the reason for the lack of records. The day, however, turned out to be fine and the sun shone brightly.

The field events had been held before the school holidays to make it easier for athletes and officials.

After working one period the school walked down to Oval 2, where the first event started at 10.15 a.m., and excellent organisation by Mr. Harrison and officials enabled the programme to run very smoothly.

Spirits were high and great interest was displayed in the events. Some spectators cheered from the edge of the oval while others displayed their enthusiasm from the hill. Ribbons in house colours waved in the breeze.

The sprints were most exciting and excellent team work in ball games was observed. The siamese and sack races provided much entertainment before the luncheon adjournment.

Welcome refreshments were made available during the day by the Ladies' Auxiliary.

Afterwards the relays and middle-distance running was contested and competition was keen. The wheelbarrow race especially was popular and enjoyable.

Mr. Coulson closed the carnival by announcing the house placings and the individual champions to whom he presented trophies. Despite soggy conditions nine new records for track events were established. Many excellent individual performances built up high hopes for the following Combined Sports.

The winners of a very keen athletics carnival were Flinders 518½, followed by Mawson 483, Bass 459 and Phillip 358½ points.

	Girls	Boys
Under 13	S. Lowe	J. Crane
Under 14	L. Cooper	J. Udowenko
Under 15	V. Fankhauser	J. Lye
Under 16	D. Ross	N. Hutchison B. Schmidt
Under 21	S. Thompson	N. Gorman G. McArthur

# FREEDOM FROM HUNGER CAMPAIGN

## YALLOURN HIGH HELPS

The Freedom From Hunger Campaign was organised by the Food and Agricultural Organization of the United Nations in 1960, to run until 1965.

This Campaign has been designed to arouse public interest in the state of affairs regarding the world food problem, and to encourage a conscious effort from the well-fed of the world to help those less fortunate.

Programmes of action have been launched in many countries. Through these, governments, businesses and individuals may all contribute. The money raised is forwarded — either directly, or by F.A.O. — to the countries in which it is needed.

F.A.O. is conducting extensive research programmes on agricultural development in backward countries, and on how problems of hunger, and the diseases caused by hunger, can best be tackled. In this way, money raised by the Freedom From Hunger Campaign will be directed down the right channels.

Yallourn High School has always had a good reputation as far as social services are concerned, and this year Freedom From Hunger was no exception. An appeal was organised by Mrs. Thomson (who is in charge of History) on a Form basis, and proved highly successful. Money was collected each Friday at Form assemblies during the week in which the appeal was running, and the Form to raise the most was 2A. The school as a whole raised the good figure of £67/18/4.

"Pylon" Report.

## INTER-SCHOOL CHRISTIAN FELLOWSHIP ENJOYABLE YEAR

Although the attendances at most meetings have been small, I.S.C.F. this year has been most enjoyable. The committee would like to thank Mr. Hazen for his interest and help in planning and conducting meetings.

We would also like to thank all our guest-speakers, especially those class-mates who spoke so inspiringly to us at different meetings. We would especially like to say thank you to Mr. Bruce Johnson for coming from Melbourne to show us films and slides.

In June we conducted an appeal for the furthering of Scripture Union work in South-East Asia, and we hope that our contribution helped in some small way to further the important work there. Thanks to all those who contributed.

Some of our members enjoyed a most exciting time of fellowship at the I.S.C.F. Rally in Melbourne, meeting members from other groups in the State, and sharing some time with them.

Our work this year has not been as far-reaching as we had hoped it might be, but we trust and pray that next year's I.S.C.F. group will be able to continue and grow in numbers to further this important work for our Lord.

# LIBRARY NOTES

We were pleased to have a visit this year from Mr. Sheen, Departmental Officer in charge of school libraries and found his comments both helpful and reassuring. He commended the choice of books and said that the senior reference section was particularly good. He sympathised with our lack of space and agreed that until we have a large room, it would be difficult to extend the fiction section.

Mr. Lewis, the Art Inspector, encouraged us by saying he was delighted with the selection of books in the Art Section.

Annual gifts of £60, from the Ladies' Auxiliary and the S.E.C. have been appreciated, while the donation of a selection of literary classics from the prefects of 1962, should prove really useful.

Mrs. Phillips has shared the work of organising the library with Mrs. Schmidt. We hope Mrs. Schmidt will recover soon, since her enforced absence has made us even more aware of the help she has given us during her years here, and we offer her our good wishes for the future.

David Drane, 4A, has continued to be a reliable and conscientious school librarian and since his studies will take more of his time next year, we are pleased that Graeme Sneddon, 2A, has agreed to work with David.

"Pylon" Report.

## A Word of Thanks . . .

The members of the "Pylon" Committee wish to thank all those students who contributed articles for publication in this year's magazine. To those whose articles were printed we offer our congratulations. To those whose articles were not accepted, we say "Good on you for trying. Try again next year."

This year all the copy for the "Pylon" was typed by two people — Mrs. Smith and Miss Kennedy. Miss Kennedy, in particular, typed most of the material. We would like both these people to accept our thanks for their good work. Again this year, Mr. Pyers has been Staff Adviser on the Committee and we wish to thank him for his untiring help.

We would also like to acknowledge the generous donations made by many local business houses. These have helped to defray the costs involved in the making of photographic blocks.

"Pylon" Committee.
