

## **A TIME OF GREAT SORROW FOR THE SHIPP FAMILY**

**LAURIE SHIPP 1929-2020**

Following an earlier article, regarding the death of Janis Shipp (as posted on Virtual Yallourn-9/4/2020), more sad news came to hand when it was learned that Laurie had passed away at the Japara Goonawarra Aged Care Home, at Sunbury, on Saturday 18<sup>th</sup> April.

Laurie was born in 1929; and, as mentioned previously on this website, married Janis in 1947. An article and a stunning photograph of Laurie and Janis can be found on this website (scroll down the page).

It has been a particularly testing time for all members of the Shipp family; and all readers of 'Virtual Yallourn' join in expressing their heartfelt sympathies to Ross, Deb, Leeanne and family.
